Profile

I have been a Consultant Orthopaedic Surgeon in Cardiff and Vale NHS Trust since 2000. As a consultant, I have 20 years of experience in treating patients with similar injuries to those seen in medico-legal practice.

My specialist elective interest is adult hip surgery, I have performed several thousand primary and revision hip replacements and have extensive experience with failed metal on metal bearing implants.

I have received formal training in report writing and courtroom skills.

I have completed the Bond Salon EXPERT WITNESS course - a diploma awarded by University College Cardiff. (CUBS certificate).

Member of Cardiff Accord Medical Experts' List.
